

Mobile Concession Trailer/Food Truck:

An operational permit is required for the operation of a Mobile Concession Trailer/Food Truck within Davidson County.

The definition for Mobile Concession Trailer/Food Truck: A motorized vehicle or a trailer equipped with facilities to cook (hood exhaust or extinguishing system), prepare, and sell food.

ATTENTION: Vehicles that are permanently located on a parcel and/or attached to fixed drains, water lines, and/or electricity must have a permit from the Metro Building Codes Department and be treated as a permanent structure to be located on that property. Permanently fixed food trucks or trailers using propane are required to have an LP-Gas permit annually from the Fire Marshal's Office. If your food truck is permanently located on a property ***DO NOT*** use the Mobile Concession Trailer/Food Truck Permit. **Permanent Concession Trailers/Food Trucks See "LPG – Propane" PERMIT.**

Conditions of this permit are as follows:

- An Inspection is required.
- Vehicles must be 10 feet away from buildings and other food trucks/concession trailers.
- Fire extinguishers are required (Class K and 2-A:40-B:C), must have a current tag from a licensed fire extinguisher servicing company, and shall be mounted in the vehicle.
- Extinguishing systems and hoods must be clean and properly serviced with a current service tag from a licensed servicing company.
- LP-Gas tank shall be secured in the upright position to prevent tipping over.
- LP-Gas tanks, container valves, appurtenances, and connections shall be protected to prevent damage from accidental contact with stationary objects; from loose objects, stones, mud, or ice thrown up from the ground or floor; and from damage due to overturn or similar vehicular accident.
- Mobile Concession Trailer/Food Truck permit must be renewed and inspected annually.

During the application process be prepared to provide the license plate number for the vehicle to be permitted and upload the following documents:

1. License plate number for the vehicle to be permitted
2. Copy or photo of inspection tag for hood extinguishing system
3. Copy or photo of tags for each fire extinguisher
4. Copy of full menu to be served
